All Secretaries of Ministries
Heads of Departments

Making the Medical Examination Report submitted for the former post applicable to another post in the public service

Where an officer who has received a permanent appointment in the government and submitted the Form Health 169 to prove that his physical and mental fitness is suitable for public service has been recruited to another post in the public service subject to a period of probation without a break in service, the Appointing Authority may grant approval for making the Medical Examination Report submitted by such officer for the former post applicable to his new post.

02. When such an approval is granted, the Appointing Authority should take necessary measures to insert the duly completed Form Health 169 submitted by the officer for his former post to the personal file of his new post.
03. However, this circular shall not be a hindrance for the Head of the Department to which the new officer is appointed to refer such an officer to a new Medical Examination.
04. The Appointing Authority may also make the provisions above applicable in the case of an officer who has received a permanent appointment in the government and who has been reinstated in service as a new appointment.

By order of the Public Service Commission,

M. A. B. Daya Senarath
